

**BE A GOOD
LISTENER.**

**People won't care
to know about your
Jesus if you don't
care for them first.**

1 Thess. 2:8-9, "we shared
not only the gospel, but
our lives with you..."

**ASK
QUESTIONS.**

**Talk about how you
worship him with your
church, how you share
life with other Jesus
followers, share how
He gets you through,
what He's done for
you, your struggle to
trust Him, the promises
you have in Him, etc.**

B

**Remember it's
dialogue. That means
you not talking all the
time, but listening with
the heart to love and
care for this person
made in God's image.**

L

**LOVE THEM
TANGIBLY.**

A

It's conversation.

Examples:

How can I pray for you?

**What's your story? Your faith background?
What do you think about Jesus?**

What are you looking for? (Jesus' first words
recorded in the Gospel of John). Point them
to come and see Jesus with you. To read the
Bible together and discover Jesus.

Why? (Why is it that important to you? Why
do you think that?)

B

**BRING UP
JESUS.**
